

SCHAUMBURG, IL, April 1, 2022

We are pleased to announce that Bill Edgar has joined entigen**logic**® as our VP of Sales and Business Development effective April 1, 2022.

Bill Edgar is a Go-to-Market specialist developing and delivering integrated, global, revenue growth strategies.

Over his career, Bill has advised companies and governments around the world, providing market development and business strategy. His professional experience includes stints with Booz Allen Hamilton, SAIC, IHSMarkit (now part of S&P Global) and Janes, a leading data and information company specializing in military, aerospace and transportation. As a consultant, Bill has advised numerous small and large businesses across the IT, economics, aerospace, energy and transportation sectors.

Bill received a B.A. degree in International Studies from the University of South Florida and M.S. in International Affairs, with concentrations in GIS and System Dynamics modeling from Georgia Tech.

Bill's experience and contacts will open many new doors and opportunities for us. We are fortunate to have him as the newest member of the entigen**logic**® team.
